

SYNTHOFLO-32

Description

Synthoflo-32 is a highly refined, multifunctional machine tool oil with high technology additive package. Its colorless property reduces the possibility of stain.

Operational Benefits

- * Excellent oxidation and thermal stability for prolonged lubrication life
- * Preventing overheating and wear
- * Excellent ability to adhere metal surface for proper lubrication.
- * Premium cleanliness

Application

Syntholube-32 is recommended for circular knitting machines, sewing machines, spindle lubrication, wick-fed twister rings and other textile machines.
